STILLNESS...

2026 Fashion Show

Join us for an evening of fashion, creativity and reflection as we celebrate the quiet beauty of the creative process. This year's theme, Stillness, invites us to slow down, inhabit a mindful space and find joy in the act of making. Through the work of our students, we explore the gentle dialogue between hand, material and imagination, allowing each stitch, texture and form to reveal what emerges. A celebration not only of what is created, but of the patience, discovery and healing found along the way.
