

## SPOTLIGHT ON

### TEACHING & LEARNING

### NEW PROGRAMME DEVELOPMENT & ACCREDITATION

**DR HERMAN BOTES**

**DR PRISCILLA NESAMVUNI**

**PRESENTED  
BY:**

### CHE + SAQA Requirements | Faculty Dialogue + Q&A

#### PRESENTED BY:

**Dr Herman Botes** — CHE requirements for new programme development  
DHET/CHE requirements for new programme development

**Dr Priscilla Nesamvuni** — SAQA requirements for accreditation / NQF registration  
of new programmes.

SAQA requirements for accreditation / NQF registration

#### SESSION FOCUS

This Spotlight session is a practical, faculty-wide dialogue on how new qualifications move from concept to approval. Dr Botes and Dr Nesamvuni will unpack the minimum requirements, key documents, and common pitfalls in the CHE and SAQA processes, and facilitate an open Q&A to support development teams.

The session will also locate where the Faculty currently is in developing its new qualifications and clarify next steps for each programme development group. Programme accreditation evaluates programmes against HEQC criteria and minimum requirements for programme input, process, output/impact and review.

## YOU WILL LEAVE WITH:

- A clear DHET/CHE submission checklist (what must be in place before submission)
- A clear SAQA/NQF essentials checklist (what must be correct in the qualification record)
- Three practical actions your development group can implement immediately

## WHO SHOULD ATTEND:

- New programme/qualification development groups (strongly encouraged)
- HoDs, Programme Coordinators, Subject Coordinators
- Teaching & Learning / QA committee members
- Anyone contributing to curriculum design, rules of combination, module alignment, assessment, WIL, or staffing/resource planning

**DATE: 9 MARCH 2026**

**TIME: 12:00 – 13:00**

**VENUE:** Arts Campus,  
Building 25 – Room G25

**OR**
